## SPRING WEEDS?

Now is the time to control spring's weed flush...

BEFORE it overruns your lawn...1 Quart of our Pre-emergent spray covers 3600 Sq. Ft. and controls Rattlesnake Weed, Dollar Weed and 35 others. **TONS OF EXISTING WEEDS?** Too many to count? Use **Weedout** as the second step in killing lawn weeds. Ask use how to apply them in sequence.

**STEP 1:**  
15-0-15 Weed-N Feed...  
The best fertilizer for this area...50% time release: kills weed seeds as it fertilizes. 7,500 sq ft size.

**STEP 2:**  
Kill Existing Weeds  
Fertilizes as it kills existing lawn weeds.

**Rattlesnake Weed Dollar Weed?**  
Why not kill it before it takes over the yard?  
This bag covers 5000 sq ft.; kills and controls. Easy to spread granules.  
FREE SPREADER USE.

-----FREE SPREADER USE-----  
**Yard full of weeds? Tired of fighting and losing? Call our spray department today for a free on site consultation & estimate.**
